Links to Serial Register Page (SRP)

When the results of the report are displayed, the Serial Numbers are displayed in blue. This indicates there is a direct link to the Serial Register Page for the particular Serial Number. This is only accessible in the report display. Once the document is converted to .pdf or Excel the link is not available.

To go to the SRP – click on a Serial Number. Then click on the “SRP” link. Please be patient. It may take some time for the SRP to load. The SRP will be displayed in a new page. You will notice tabs at the top of the screen that allows you to return to the report after viewing the SRP.

There are two ‘tabs’ for this SRP – Report and Remarks by Serial Number. The first tab displays the serial register page with all of the information for that case, except any general remarks. To view and print the remarks, click on the “Remarks by Serial Number” tab.
